

**City of Delano
Ordinance O-11-06**

Ordinance amending City Code Chapter 600, Section 610.01, Subdivision 8.A., by replacing the entire section of the City Code.

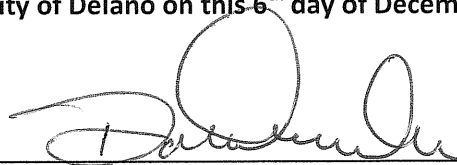

SECTION 1. Chapter 600, Section 610.01, Subdivision 8.A. shall be amended to read as follows:

Subd. 8. Charges for General Users – Domestic, Commercial, Institutional and Governmental Users.

- A. The Category B (User) for general users shall be based on water meter records. The amount of Category B revenues that the City determines is necessary for the annual operation and maintenance of the treatment facilities, less the user fees collected from the other contract users and industrial users, this difference divided by the total annual volume of metered water utilized by the general users and multiplied by one thousand (1,000), shall be the cost factor for the general user charge per one thousand (1,000) gallons of water used. The cost factor times the volume as determined by water meter readings for the calendar months of December of the previous year and January, February, March of the current calendar year divided by four, shall be the monthly user charge for domestic users for the calendar months of April, May, June, July, August, September, October, and November. The cost factor times the volume as determined by water meter readings in the current month shall be the monthly user charge for domestic users for the months of December, January, February, and March. The cost factor times the volume as determined by water meter readings during each quarter and divided by the three shall be the monthly user charge for all commercial, industrial and governmental users for the following quarter. Contract users shall be charged monthly at the rate of 1/12 of the annual rate defined in the contract with the City.

SECTION 2. This Ordinance shall be in full force and effect upon its passage and publication.

Adopted by the Mayor and City Council of the City of Delano on this 6th day of December, 2011.
