5. Order of Business
  - a. Public Concern – Central Park

A citizen raised concerns about garbage left in Central Park's parking lot and illegal dumping within the compost site. PSC members and citizens have reported feeling uneasy around people congregating in the parking lot at night. PSC will research loitering

ordinances to see if this is the route they would like to recommend to the city council to curb these activities.

b. Security Trailer

The group would like to talk with a second company to compare notes. PSC would like to know if Wright Co. Sheriff has a security trailer and look into customer service feedback from the company's current customers.

The estimate for the trailer is \$25,000/yr, and would like a 2-year contract. This is a lease program, and Flock handles all repairs and maintenance of the trailer, cameras, and batteries.

ESD Cielocha will contact a second security trailer vendor and plan a virtual demonstration for the PSC at the March meeting.
